www.csilttd.co.uk/PDFS/BI/training%20academy.pdf

Alternatively we can organise the training around your schedule

"I felt the recent training supplied by CSI on IBM Cognos Report Studio was excellent and covered all the points my team needed. What made it particularly useful was their ability to work on our in house data to make the training relevant and practical. A clever mix of course work within the workplace made this a training a real cost effective way of achieving my overall aims.

Thanks and look forward to using you again when needed"

David Parker
M.I and Planning Manager
Operational Solutions Centre
DAS Legal Expenses"
